Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 02 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mild with blustery scattered showers.

Today:
A mild and dry start with sunny spells through the day. Winds turning blustery in the afternoon with scattered showers, at times heavy. Risk of coastal gales. Maximum temperature 13 deg C (55 deg F).

Tonight:
Clear spells through the evening and overnight with the chance of a few sharp showers. A mild night with winds easing. Minimum temperature 3 deg C (37 deg F).

Wednesday:
A largely dry start but with a risk of a few blustery showers. Sunny spells developing through the day with any showers fading by evening. Mostly dry overnight. Maximum temperature 11 deg C (52 deg F).

Outlook for Thursday to Saturday:
Sunny spells and scattered showers on Thursday and Friday. Cloudier with a chance of outbreaks of rain on Saturday and becoming colder.
